ECONOMICS WITH SPECIALISATION LAW

At IEGS, law is considered in the context of the wider Economics Programme, giving you an understanding of the role of the citizen and their rights and responsibilities within Swedish society. By choosing the Economics Programme at IEGS, you will study a dynamic and exciting course of study using both English and Swedish. Economics and law are key subjects at the very core of society and this course, in particular, prepares you for university studies in a variety of business-related and social science subjects. Students from this programme have gone on to study subjects such as international relations, politics and philosophy as well as business studies and law in Sweden and abroad.

Please note: The law curriculum's focus is on Swedish law and these courses are taught in Swedish

Core Gymnasium (1250 points)
